LOYALITY

"It is easier to forgive an enemy than to forgive a friend.
"It was a mistake," you said. But the cruel thing was,

"For there to be betrayal, there would have to have

ATTACK ON TITAN

I am free. Whatever I do, whatever I
choose, I do it out of my own free will.

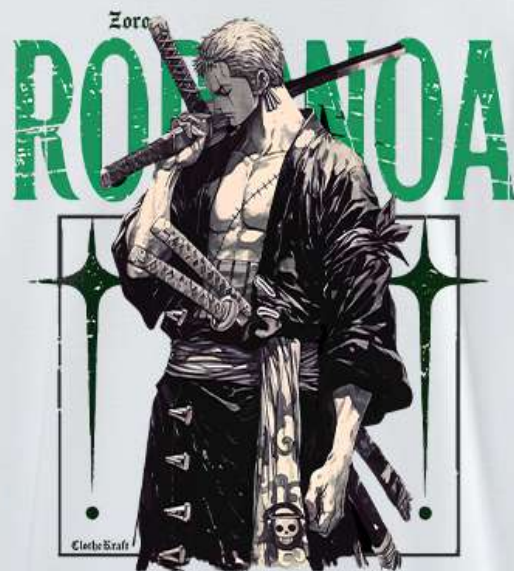

*Zoro is the second member of the Straw Hat Pirates and the first to join,
doing so after he is rescued by Monkey D. Luffy from execution.
He is a highly skilled swordsman and serves as
the crew's combatant.*
